THEIR STORY

BRIDE Nandini DasGupta, 25, a business analyst **GROOM** Unmil Patel, 28, a global business analyst **HOW THEY MET** In college through mutual friends **WEDDING STYLE** The couple chose navy and orange to decorate their traditional Indian wedding.

“My personal style is pretty minimal and contemporary, which is pretty contradictory to traditional Indian bridal style!” Nandini says. “I knew that I’d be wearing traditional Indian attire for the wedding, so nine months prior to the day, my mom and I went to India for two weeks to shop.”
